FAQ's (frequently asked questions)

Q. How many students can you accommodate?

A. *There is no limit to the number of students per assembly; for outdoor assemblies the optimum size is approximately 600 students or less.*

Q. How long is the assembly?

A. *The assembly will last between 35-40 minutes. We can put together a custom program to fit your time restrictions. Call for details.*

Q. Do we need to provide anything?

A. *No! We are a fully self-contained program. We will provide a professional sound system, cones, table, banners, etc. We just require an asphalt or concrete surface about the size of a basketball court (approx. 50ft. wide x 120 ft. long). We will arrive at your school to set-up approximately 30-45 minutes prior to start time.*

Q. Do the students sit or stand?

A. *This is up to you. Many elementary schools have the students bring out their individual chairs or have them sit on the ground. Older students (grades 7-12) often stand throughout the assembly.*

Q. What happens if it rains?

A. *If you are within a 1 hour drive of our offices in Exton, PA we can often reschedule up to 8 hours in advance. When on tour in other areas we require a backup facility such as a gym, cafeteria or other such covered area. Call with questions.*

Q. Do you accept purchase orders?

A. *Yes! We will work with your business office to handle all paperwork. We also accept checks, money orders, or cash.*

Q. What type of insurance do you carry?

A. *We carry a \$1,000,000 liability insurance policy. On request we can add your school as an additional insured. We will also be happy to sign any hold-harmless agreement you may have. You can download and print a copy of our policy by visiting our website (www.wheelsoffreestyle.com).*

Q. What age is this appropriate for?

A. *This program is performed for students of all ages. We can adjust the assembly themes accordingly. We visit Kindercares, Elementary Schools, Middle Schools, and High Schools.*

Q. How do I pay for this program?

A. *We accept PTA checks, district checks or personal checks. Purchase Orders accepted. A \$200 deposit is required when booking confirmed. Balance due should be given to team*

on day of assembly or mailed to address on invoice within 7 days of assembly.
